Memo

To: The Planning Board

From: Peter Cook

Date: December 7, 2015

Re: Mr. Falzone Tolend Subdivision

I see on the plans that Mr. Falzone is proposing all driveways and no roads for this project. This section of Tolend Road is a flat section of road with good sight distance for the proposed driveways. I would support this plan with the ten driveways, no road means a savings to the Town since we will not have to maintain an additional road in the future.

Respectfully,

Peter Cook
