Dear Board Members,

We respectfully request a continuance of Planning Board Case #SR 12/410 until the next available Planning Board hearing, which we believe to be December 3, 2013. This continuance is requested to allow this project to be heard at the November 20, 2013 Zoning Board of Adjustment hearing and to allow resolution of the Town reviewer's comments prior to the December meeting.

If you have any questions, or need further assistance, please contact our office. Thank you very much for your time.

Very truly yours,
