Re: 263-06-RC-14-SIGN Pet Connection (property owner Wayne Noyes) Request by Pet Connection to add a reader board sign and waiver request for a 45.5 sq. ft. sign where 32 sq. ft. is allowed to a previously approved sign on a 10.6 acre site located at 1057 Calef Highway (Map 263, Lot 6) in the Regional Commercial (RC) Zoning District. By Jesse Senter, Pet Connection; PO Box 856; Barrington, NH 03825

Dear Jesse:

This is to inform you that the Barrington Planning Board at its April 7, 2014 meeting **APPROVED** your application referenced above. The Planning Board also granted a waiver from Table 8 maximum area to allow for a 45.5 sq. ft. sign where 32 sq. ft. was allowed. The waiver was granted on the determination of the board that the granting of the waiver would not affect the purpose and intent of the regulation. It is understood that the sign, which was approved, had already been constructed and was approved as presented in your application received by the Land Use Office on 3/3/2014.

I wish you the best of luck with your business. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses
