Re: 254-1-RC-14-Sign (Matt Trnovsky-Blue Water Marine) request by applicant to present a Sign Application and Waiver to replace an existing 4' X 8' wall mounted sign with a 4' X 6' internally lit wall sign in same location on a 12.9 acre site located at 927 Calef Highway (Map 254, Lot 1) in the Regional Commercial Zoning District. Dear Matt:

This is to inform you that the Barrington Planning Board at its February 4, 2014 meeting **APPROVED** your application referenced above. The Planning Board also granted a waiver from 5.5.1(1) allowing for an internally lit sign. The waiver was granted on the determination of the board that the internally lit sign would not affect the purpose and intent of the regulation. The sign must be constructed as present in your application dated 1/15/2014.

I wish you the best of luck with your project. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses
