Dear Mr. Hussey:

This is to inform you that the Barrington Planning Board at its January 5, 2016 meeting **DENIED** your application for an extension to meet active and substantial development for the application referenced above. The Board denied your application for an extension because the applicant had not made any effort to make the improvements to the infrastructure. For further information please reference the minutes of the December 15, 2015 and January 5, 2016 Planning Board Meetings.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses
