## PROJECT NARRATIVE

PROJECT NAME 914 CALEF HIGHWAY CASE FILE NUMBER 254-10-RC-14-SR

PROJECT LOCATION 914 CALEF HIGHWAY (AKA ROUTE 125)

DATE OF APPLICATION NOVEMBER 12, 2014

### Property Details:

Single-Family Residential Multi-Family Residential Commercial Industrial

Current Zoning: RC Lot Area Size 2.32 AC.

Setbacks: Front 75' Side 30' Rear 30'

Parking Spaces Required: 5 Parking Spaces Provided: 6

Please describe your project and its purpose and intent. You may attach a typed description.

This application is for a change of use on an existing 2800 s.f., one story, commercial structure located at 914 Calef Highway (aka Route 125). The building is located in the Regional Commercial Zoning District, on a 2.32 acre parcel as shown on Assessor's Map 254, Lot 10. Access to this structure is by a paved driveway from Route 125.

The subject building was formerly used as a cabinet shop, having only one employee, the owner. The proposed use is for an appliance repair shop which would have 2 employees, the owner and his wife.

Per Section 4.9.13(2), of the Barrington Site Review Regulations, Table 6 (Parking Standards by Use) the required parking spaces for the RC Zoning District for a repair shop would be 1 space per 600 s.f. of gross floor area. Given that the subject building is 2800 s.f., the parking requirement for this proposed use would be 5 spaces. The existing paved parking area in front of the building is sufficient in size to accommodate 6 parking spaces, and therefore fulfills this requirement.

~~Additionally, there is a request for an approval to place a proposed 60KW generator with concrete pad behind the Good and Plenty Restaurant as shown on the attached plan.~~
