# Memo

**TO:** The Planning Board  
**From:** Peter Cook  
**Date:** October 21, 2015  
**Re:** Tolend Subdivision

I saw a preliminary design of the proposed subdivision and it showed two roads that end with cul-de-sacs. I recently spoke with Mr. Falzone and discussed shared driveways. If Mr. Falzone is allowed do the shared driveways, it would be a benefit to the Town because it would not be creating a road for the Town to maintain in the future. I would support the shared driveways over the cul-de-sacs

Respectfully,

Peter Cook  
Road Agent
