Memo

To: Planning Board
From: John Scruton Town Administrator
Date: July 14, 2014
Re: Highway Equipment Storage Shed

Town Meeting approved funds for building an equipment storage shed at the Highway Garage complex. Jeff Adler of Dubois and King is preparing three site plans to deal with three possible designs for the building. This will include information on the site, drainage, etc. to present to the Planning Board regarding this project. The Selectmen seek the Planning Board's comments and suggestions for this project as outlined in RSA 674:54, Governmental Land Uses for an advisory opinion.

The building is expected to be 4800 square feet and be located behind the current garage. The construction is expected to begin after September 15, 2014 and be completed by December 31, 2014, although slippage in the schedule could occur for any number of reasons beyond the Town's control.

If there are any questions, do not hesitate to contact me. Thank you.
