Generator Connection  
PO Box 711  
Barrington, NH 03825

Re: 263-6-RC (Generator Connection-Wayne Noyes) Request by applicant for a proposal to install a 24' X 140' metal shed roof on back of the building located at 1057 Calef Highway on a 10.64 acre lot (Map 263, Lot 6) in the Regional Commercial (RC) Zoning District. By Wayne Noyes; PO Box 711; Barrington, NH 03825

Dear Mr. Noyes:

This is to inform you that the Barrington Planning Board at its November 17, 2015 meeting determined that reposting in the paper and notice to abutters would be necessary for your application. Once Berry Surveying supplies the necessary items for your application the Land Use Office will post the notice for your application to be reviewed for acceptance as complete. If the application is accepted as complete the public hearing will be held the same evening. You will be responsible for the cost of the posting in the newspaper and the notices to abutters, but you will not be charged the \$150.00 application fee.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses  
Town Planner & Land Use Administrator
