CASES BEFORE THE PLANNING BOARD

110-19&20-GR-22-LL/9.6 (Owners: Christine & Brett Astin) Members discussed if this lot is grandfathered. Ken will talk with Vanessa to determine if the applicants are subject to the 50' rule for wetlands.

265-11&12-RC-22-9.6Permit (Owner: Jeffrey Sullivan) There was a question about the accuracy of the wetland delineation. Ken will note this in a memo to the PB, and the CC will request a site walk.

251-9-GR-22-SR (Owners: Tyler & Katie Rand) It is requested that this case come back to the CC when it is more detailed.

239-35-V-22-17Sub (Owner: Paul Guphill) Jack expressed concerns with the snowmobile trail being a problem to the homeowners. Ken will mention this on his PB memo.

227-22.1-GR-22-9.6Permit (Owner: James Griffin) The CC had no comment.

NEW BUSINESS/OLD BUSINESS

- Landry/Mt. Misery Project Contribution (SELT)
- Capital Improvements
- Master Plan
- Monitoring Dan reported that all the required annual monitorings have been done. CC members discussed the possibility of getting "outside help" to do monitoring; Dan will contact John Wallace and the SATWaSR monitor (for SPNH) to find out if they are interested in giving proposals to assist with monitoring.
- Trails on Chestnut Easement Jack will be in touch with Conner about the Trails Committee flagging and cutting trails on the easement (town has title, CC minutes 2/16/18). The trails would circumnavigate the area.
- CC Website domain change The current website manager is shutting business. Jack would like to use some of the \$500.00 previously allocated to make a domain change, allowing the website and domain to be managed by the same company (Dotster).
