Meeting called to order at 6:35pm

Present: Chair Charlie Tatham, Denis Beaulieu, John Wallace, Marika Wilde, Anne Melvin Minutes of 4/10/18 were approved as amended. Denis made the motion to accept, John seconded, passed unanimously 5 to 0.

Old Business:

Updates: Work session on KOTR: Charlie and Doug put up the new sign Charlie made. They also made and placed a bridge across a wet spot on the White Trail. Anne, Marcia Dimambro and Denis raked the trails. Charlie flagged another trail from the parking lot that would avoid going so close to an abuttor. He found trash and tires on it so a trail work day will be needed to remove it.

John paid \$25 for the DES permits for the bog bridges. Marika moved and Denis seconded to approve John being reimbursed the \$25.

Brasen Hill has been monitored by the state. A visit will be planned to sort out the trails. Denis recommended a main trail that loops around with trails that branch off to Carriage Run in SATWaSR and to the tailings.

Next Weekend Walkabout - May 12 on the Jeffrey property led by John.

John sent around the list of NHF&G Operation Land Share signs for us to choose from to let Charlie know what to order.

New Business:

The new trail on the KOTR trail would go from the parking lot to the top of the White trail.

Weekend walkabouts: May 12, John will lead a walk on the Jeffrey property.
