Present: Chair Charles Tatham, Ted Bergeron, John Wallace, Denis Beaulieu.

Minutes of 7/11/23 were approved as written: Moved by Ted, second by Denis, unanimous approval.

Old Business:

Several benches have been placed on various trails and have been chained (or otherwise secured) in place.

The Ridge at Green Hill property (behind town hall) has been further explored and plans for trails on the property are in progress. A good deal of erosion was noted.

Newhall property: Charlie is trying to determine if the logging operation there has been completed, at which point we can see what work needs to be done to reestablish the trail system.

Brasen Hill Farm: logging operation is not yet completed, but should be soon. As above, once it's completed we can see what work needs to be done to reestablish the trail system.

New Business:

John will lead the Weekend Walkabout on Sept 9, location TBD.

Charlie will schedule work sessions to build corduroys to be placed on the Calef West property, and possibly for work related to water bars on Goodwill.

Meeting adjourned at 7:35, moved by Denis, seconded by John, all in favor.

Dutifully submitted, John Wallace
