

**Draft Minutes**  
**Barrington Conservation Commission**

November 23, 2019, 9AM

Woods road across from 844 Province Road, Strafford, NH

Site walk to examine a possible conservation project in Barrington and Strafford.

PRESENT:                                John Wallace  
   Anne Melvin  
   Doug Bogen

Guests: Duane Hyde, SELT; members of the Strafford Conservation Commission

Duane Hyde led the group through a possible conservation easement on the Leighton properties, covering land in both Barrington and Strafford. The purpose of the walk was to show the natural features of the property and to assess possible support from the towns towards the project.

The commission will present its findings at the next regular meeting.

Respectfully submitted,  
John Wallace
