## SECTION 3.4 CONDITIONAL USE PERMIT APPLICATION

## TOWN OF BARRINGTON

PO Box 660; 333 Calef Highway

Barrington, New Hampshire 03825

210-28-GR-13-CUP

A CONDITIONAL USE PERMIT (CUP) allows the Town of Barrington to permit uses which may be essential or desirable to a particular community, but which are not allowed as a matter of right within a zoning district, but rather only through a CUP. A public hearing is required. A conditional use permit can provide flexibility within a zoning ordinance.

This application may not be used for those seeking a Special Permit for Construction in a Wetland Buffer pursuant to Section 9.6 of the town zoning ordinance. There is a separate application for a Special Permit in a Wetland Buffer, which is also available at the town Land Use office.

Is the proposed use related to a Site Plan or Subdivision Application? Yes \_\_\_\_\_ No ☒

Describe in detail all proposed uses, structures, construction, or modifications requiring a Conditional Use Permit:

Describe in detail how the following conditions of the Town of Barrington Zoning Ordinance under Section 3.4 "Conditional Use Permits Issued by the Planning Board" have been satisfied by your proposal. (You may attach a separate sheet.)

1. The building, structure or use is specifically authorized under the terms of this Ordinance.

The structure was already on premises.

2. If completed, the development in its proposed location will comply with all requirements of this Ordinance, and with specific conditions or standards established in this Section for the particular building, structure or use.

N/A

3. The building, structure or use will not materially endanger the public health or safety.

N/A

4. The building, structure or use will not substantially de-value abutting property.

The structure was already on property.

5. The building, structure or use will be compatible with the neighborhood and with adjoining or abutting uses in the area in which it is to be located.

Yes because the structure has already been in existence on property.

6. The building, structure or use will not have a substantial adverse impact on highway or pedestrian safety.

No it will not impact traffic or safety on Green Hill Road as no gravel trucks are part of this business.

7. The building, structure or use will not have a substantial adverse impact on the natural and environmental resources of the town.

No it will not.

8. Adequate public utilities, community facilities, and roadway capacity are available to the property to ensure that the proposed use will not necessitate excessive public expenditures in providing public services.

Correct.

9. Where deemed necessary when considering an application for Conditional Use approval, the Planning Board may require that adequate visual buffers be established.

Not necessary.
