

Subdivision, Site Review, and Lot Line Adjustment Application Checklist
Barrington Planning Board
Adopted January 20, 2009

This checklist is intended to assist applicants in preparing a complete application for subdivision as required by the Barrington Subdivision Regulations and must be submitted along with all subdivision applications. An applicant seeking subdivision approval shall be responsible for all requirements specified in the Barrington Subdivision Regulations even if said requirements are omitted from this checklist.

An applicant seeking subdivision approval shall be responsible for providing all the information listed in the column below entitled "Subdivision" and should place an "x" in each box to indicate that this information has been provided. If an item is considered unnecessary for certain applications the "NA" box should be marked instead indicating "Not Applicable". Only certain checklist items are required for lot line adjustments, as noted by the applicable check boxes below.

APPLICATION AGREEMENT

I hereby apply for Subdivision Plan Review and acknowledge I will comply with all of the ordinances of the Town Of Barrington, New Hampshire State Laws, as well as any stipulations of the Planning Board, in development and construction of this project. I understand that if any of the subdivision Plan or Application specifications are incomplete, the Application will be considered rejected.

In consideration for approval and the privileges accruing thereto, the subdivider thereby agrees:

- E. To carry out the improvements agreed upon and as shown and intended by said plat, including any work made necessary by unforeseen conditions which become apparent during construction of the subdivision.
- E. To post all streets "Private" until accepted by the Town and to provide and install street signs as approved by the Selectmen of the Town for all street intersections.
- E. To give the Town on demand, proper deeds for land or rights-of-way reserved on the plat for streets, drainage, or other purposes as agreed upon.
- E. To save the Town harmless from any obligation it may incur or repairs it may make, because of my failure to carry out any of the foregoing provisions.
- E. Mr/Mrs _____ of _____ to whom all communications to the subdivider may be addressed with any proceedings arising out of the agreement herein.

Signature of Owner:

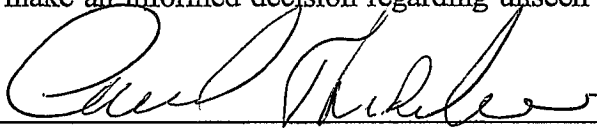

Signature of Developer: _____

Technical Review Signatures: _____

Town Engineer/Planner Approval Signature: _____ The owners, by the filing of this application as indicated above, hereby give permission for any member of the Barrington Planning Board, the Town Engineer, The Conservation Commission and such agents or employees of the Town or other persons as the Planning Board may authorize, to enter upon the property which is the subject of this application at all reasonable times for the purpose of such examinations, surveys, test and inspections as may be appropriate.

(Refusal to sign this permission form does not invalidate an application, but the Planning Board may not be able to make an informed decision regarding unseen lands with potential areas of concerns).

Signature of Owner: _____

Note: The developer/individual in charge must have control over all project work and be available to the Road Agent and Code Enforcement Officer during the construction phase of the project. The Road Agent and Code Enforcement Officer must be notified within two (2) working days of any change by the individual in charge of the project.

PLANNING BOARD

Article 8.5 Waivers for Specific Plan Submission Requirements

**Lot Line Adjustment – Fisheye Properties, LLC & O'Donnell
Young Road
Barrington, NH**

I, David W. Vincent, hereby request that the Planning Board waive the requirements of the following items of the Subdivision Regulations in reference to a plan presented by David W. Vincent, LLS, Land Surveying Services, for properties **Tax Map 240 / Lots 15-7 & 15-8** in the Town of Barrington, New Hampshire.

Article 8.3 Specific Plan Information – Existing Site Conditions

Existing grades and topographic contours at intervals not exceeding two (2) feet with spot elevations where the grade is less than five percent (5%).

Natural features such as streams, marshes, lakes, ponds, rock outcrops, wooded areas, significant trees, ledge and other significant environmental features, including wetland areas as defined in the Zoning Ordinances. (Please note wetlands are depicted on the plan).

Article 8.4 Specific Plan Information – Proposed Site Conditions

2) Proposed grades and topographic contours at intervals not exceeding two (2) feet with spot elevations where the grade is less than five percent (5%).

3) The location for, and pertinent data on, at least two (2) test pits, 50 feet apart, and at least one (1) percolation test to show that the regulations in Article 18 have been met on each lot created by the subdivision. Information shall include at least the following: the location of the test pits, an outline of the four thousand (4,000) contiguous sq. ft. area reserved for the location of the leach field, and percolation test data.

1) The granting of the waiver will not result in a review that overlooks issues that may address impacts that are detrimental to public safety, health or welfare or injurious to other property.

The development of these lots will require review and permitting by the building department, highway department and NHDES (Lot 15-7 has already been developed).

2) The waiver will not, in any manner, vary the provisions of the Barrington Zoning Ordinances, Master Plan, or Official Maps.

These are lots of record which are relocating a minor portion their common lot line and not creating new building lots.

3) The submittal, upon granting of such waiver(s) may be reviewed in such a fashion as to secure substantially the objectives, standards and requirements of these regulations.

Since these are lots of record which are relocating their common lot line and not creating new building lots, developing of these lots will require review and permitting by the building department, highway department and NHDES.

4) A practical hardship, or unnecessary and unreasonable expense, would result from strict compliance with the foregoing submission regulations that clearly outweighs the benefit of providing the required information.

The planning board approved approved the original Fisheye Properties, LLC in 2011 which provides the data requested. It will be an unnecessary and unreasonable expense to the require the applicants to comply with the subdivision items listed above.

5) The purposes of these regulations may be served to a greater extent by an alternative submittal, or where such submittal information is redundant and clearly unnecessary for the Board to review the application adequately.

After the lot line adjustment the reconfigured lots will meet or exceed the minimum lot area, frontage and setback requirements.

KNOW ALL MEN BY THESE PRESENTS, That **Fisheye Properties, LLC**, a New Hampshire Limited Liability Company, having a place of business at 145 Maple Street, P.O. Box 250, Union, County of Carroll, State of New Hampshire, 03887,

for consideration paid, grant(s) to **James M. O'Donnell and Elaine O'Donnell**, husband and wife, both of 2 Federal Hill Lane, Lee, County of Strafford, State of New Hampshire, 03861,

with **WARRANTY COVENANTS**, *as joint tenants with rights of survivorship*,

A certain tract or parcel of land with the buildings thereon, located in the Town of Barrington, County of Strafford, State of New Hampshire, situated on the northwesterly side of Young Road, so called, being depicted as **Lot 15-7** on a plan entitled "Lot Line Adjustment Plan, prepared for Fisheye Properties LLC of Tax Map 240 / Lots 15-7 & 15-8 located at Young Road, County of Strafford, Barrington, NH" dated August 15, 2012, with revisions, scale 1" = 50', prepared by David W. Vincent, LLS, Land Surveying Services and recorded as Plan No. 104-050 in the Strafford County Registry of Deeds, to which plan further reference may be had for a more particular description.

Said Lot 15-7 containing 2.44 Acres (106,101 square feet), more or less, as shown on said Plan.

Together with an undivided 1/12th interest in common in the permanent Open Space depicted as Lot 15-0 on Plan No. 102-029. This undivided interest shall be non-exclusive and held in common with the owners of the lots of the Fisheye Properties, LLC Subdivision as shown on said Plan No. 102-029 and Plan No. 104-050, with the exception of the Open Space area located between the southerly and westerly lot lines of Lot 15-5 and the edge of the "Prime Wetlands No. 21" and jurisdictional wetlands as depicted on Plan No. 102-029, whereas the owners of said Lot 15-5 shall have exclusive use of the Open Space therein. This undivided interest shall not be conveyed separately from the ownership of the lot herein conveyed. Use of the Open Space is

restricted to non-motorized vehicles, nature trails and passive uses. No structures, impermeable surfaces, parking spaces, tree or vegetation removal, or construction related activities, including dredging, filling, and re-grading, shall be permitted within the Open Space area. Dead, diseased, or unsafe trees, limbs, saplings or shrubs that pose an imminent hazard or have the ability to cause personal injury may be removed from the Open Space area. However, preservation of dead and living trees that provide dens and nesting places for wildlife is encouraged.

Said parcel is conveyed subject to a Slope, Sight, and Drainage Easement granted to the Town of Barrington as depicted on said plan and described in the easement deed from Fisheye Properties, LLC, to the Town of Barrington, dated 9/16/2011 and recorded in the Strafford County Registry of Deeds in Book 3956, Page 101.

The above described parcel is conveyed subject to the requirement that as part of the building permit application process, the lot owner shall submit to the Town of Barrington Code Enforcement Officer a State of New Hampshire Department of Environmental Services approved design for the subsurface disposal of septic and sanitary waste materials, and a part of that submittal shall include a design from the subsurface system designer of an erosion control plan for the improvements and impervious surfaces to be constructed on the parcel, which design shall comply with the State of New Hampshire Department of Environmental Services Pre-Construction and Post Construction Best Management Practices.

The above described parcel is further conveyed subject to the following covenants and restrictions:

1. USE OF LOTS.

- A. No lot shall be used except for single-family residential purposes; No commercial business activity of any nature shall be carried on upon any of the lots. Personal business activity shall be limited to the maintenance of a private office within the dwelling. No calling hours or regular business appointments shall be held or scheduled for any personal business conducted on the premises, and no signs shall be maintained indicating the presence of any business upon the premises.
- B. Further subdivision of the lots is expressly prohibited without the written permission of Grantor and the Barrington Planning Board.
- C. There shall be no further alteration of wetlands for lot development, driveways, culverts or for septic setbacks.

2. CONSTRUCTION TIME.

When construction of the buildings on the premises is begun, work thereon must continue without significant interruption and must be completed not more than twelve (12)

Handwritten signature and initials, including a circled 'E' and the letters 'JAB'.

months from commencement date and prior to the issuance of an occupancy permit. Application for extension of the twelve (12) month period may be made to Grantor, its successors or assigns. Such extension shall not be unreasonably withheld, provided that the lot owner provides a specific time frame in which completion of construction is expected to occur. If the work is not completed ;with the twelve (12) month period, the owner of the dwelling or structure shall be subject to penalty assessments as provided in these Covenants until completion of the work.

3. OUTBUILDINGS, ADDITIONAL STRUCTURES, ETC.

- A. Garages. Each single-family dwelling shall have a private garage attached to the dwelling unit or an underneath car garage (i.e., a "garage under" so called) for not less than one (1) car. The garage must be built at the time of the construction of the dwelling. Grantor may waive at his discretion.
- B. Fuel Storage. No fuel tank (other than ancillary propane tanks to accommodate barbeque grills and the like) or similar storage receptacles may be exposed to view.
- C. Exterior. No garbage dumpsters or trash containers (except during construction) shall be maintained upon any lot unless confined within the dwelling or garage. No above ground swimming pools, clotheslines, vegetable gardens, firewood or brush piles shall be maintained in the front yard areas of any lot (front side lot line to side lot line between the dwelling and the road). No noxious or offensive activities shall be carried out upon any of the lots, nor shall any activity be conducted thereon which may become an annoyance or nuisance to the neighborhood.

4. SIZE OF DWELLING.

Each two story single family dwelling unit shall have a gross living area (above ground and to exclude finished basement area) finished, of not less than one thousand six hundred (1,600) square feet and each one story single family dwelling unit shall have a gross living area finished, of not less than one thousand two hundred (1,200) square feet, exclusive of basement, garages, porch and decks. All dwelling unit driveways shall be constructed with asphalt, crushed stone, or other material. Split entry and raised ranch designs cannot use Lowest Level toward finished space minimum requirement. Grantor may waive at his discretion.

5. FENCES.

Fences shall be placed in proximity to any lot line so as to assure an owner's ability to maintain the fence from the owner's property. No fence exceeding six (6) feet in height shall be permitted on any lot, except as part of an approved tennis court layout or swimming pool enclosure. However, under no circumstances shall silver or galvanized chain link fence be approved. No fence shall be constructed between the front plane of a house and the street

unless approved by Grantor. All fences shall be constructed with the finished side facing away from the dwelling.

6. SIGNS.

- A. No commercial or advertising sign of any kind shall be erected, placed, permitted or maintained on any lot or improvement except for a single sign no larger than four (4) square feet of advertising lot or house for sale or rent. This prohibition shall apply to any sign advertising the builder of a home or his subcontractors unless waived by Grantor but shall not apply to mortgage banks' required signage.
- B. Notwithstanding paragraph A. above, Grantor reserves the right to place signs on the property advertising lot and home sales and its preferred builders. The number and size of such signs shall be in Grantor's sole discretion.

7. MOBILE AND MODULAR HOMES/TEMPORARY STRUCTURES.

Mobile homes or structures of a temporary character shall not be permitted on any lot except as a temporary shelter during repair or renovation of an existing structure(s), or as a temporary construction or sales trailer to be used by or on behalf of the Grantor, its Builder or Agent. The plans for the use of homes or modular construction will need prior written approval by Grantor prior to construction.

8. NO VEHICLE STORAGE.

Unregistered or un-inspected automobiles or automobiles being repaired, refinished or restored for a period of more than seven (7) days shall be stored in a garage or other enclosed structure.

9. ANIMALS.

No farm animals or fowl shall be maintained on any lot. A reasonable number of household pets shall be allowed, but shall not be bred or maintained for purposes of resale.

No animals shall create unreasonable noise or create a nuisance or annoyance to neighbors.

10. HOUSES/HOMES BUILT.

All houses/homes built shall have a minimum roof pitch of 7" vertical rise to 12" horizontal rise. May be waived by Grantor in writing.

All houses/homes shall have shutters on front. May be waived by Grantor.

No more than two (2) stories plus the gable attic on either side or front of a structure will be allowed without the addition of a roof with a 24" soffit minimum and 7" vertical rise to 12"

SLOPE, SIGHT, AND DRAINAGE EASEMENT

KNOW ALL PERSONS BY THESE PRESENTS, that **Fisheye Properties, LLC**, a New Hampshire limited liability company, having a place of business at 145 Maple Street, Union, New Hampshire 03887, for consideration paid, does hereby grant to the **Town of Barrington**, with a mailing address of 137 Ramsdell Lane, Barrington, New Hampshire, 03825, the following easements situated on the northwesterly side of Young Road, so called, located in the Town of Barrington, County of Strafford, State of New Hampshire:

The permanent right to maintain the slopes within the easement area located on the northwesterly side of Young Road, Barrington, New Hampshire as depicted as "Proposed Sight & Slope Easement" on a plan entitled "Subdivision Plan prepared for Fisheye Properties LLC of Barrington Tax Map 240/Lot 15, located at Young Road, County of Strafford, Barrington, NH," prepared by David W. Vincent, LLS, dated November 15, 2010, latest revision date 8/3/2011, and recorded at Strafford County Registry of Deeds as Plan # 102-24. The purpose of maintaining the slopes is to preserve the sight distance across the easement area for benefit of vehicular traffic along Young Road. The grantor further grants to the grantee the permanent right to maintain drainage beyond the limits of the present highway known as Young Road, with the drainage to occur within the easement area hereafter described. The grantor further grants to the grantee the right of access onto the easement area, with the right to remove trees, undergrowth, bushes, and other obstructions interfering with the construction, maintenance, inspection, and to maintain drainage and other related structures within the easement area.

The Grantee, by accepting these easements, agrees to return the land burdened by the easement to as near its original condition as reasonably possible following any maintenance, repair, or replacement performed pursuant to this easement.

The Grantor covenants and agrees that it shall not erect, maintain, or permit any permanent structures upon said premises that would impede access or use by the Grantee for the purposes for which these easements have been granted.

This easement extends no further rights from the grantor to the grantee than those expressly described above.

The easement area is described as follows:

Beginning at a point on the northwesterly side of Young Road; thence S 11°10'28" W a distance of 168.84' to iron rod; thence with a curve turning to the right with an arc length of 119.75', with a radius of 225.00', to a granite bound; thence S 41°40'04" W a distance of 70.94' to a point; thence N 22°12'38" E a distance of 350.62' to said point of beginning, having an area of 7,397 square feet, more or less.

Meaning and intending to convey the above described easement across a portion of the property deeded to Fisheye Properties, LLC by Norma Bearden dated December 2, 2010, recorded at Strafford County Registry of Deeds on December 16, 2010, at Book 3890, Page 300.

The burden of the permanent easement shall run with the land of the grantor and shall be binding on the grantor's heirs, successors and assigns.

This conveyance is exempt from transfer taxes pursuant to New Hampshire RSA 78-B:2(1).

This property is not the homestead property of the grantor.

Dated this 16th day of September, 2011.
