Mr. Marcia Gasses
Town Planner & Land Use Administrator
Town of Barrington
PO Box 660
Barrington NH 03825

SUBJECT: Homestead Subdivision Phase II
Engineering Review Services

Dear Ms. Gasses:

As requested, we hereby submit our proposal for review of the proposed subdivision application for the above referenced project.

SCOPE OF WORK

The following items are included in the Scope of Work:

- Task 1 Field inspection of proposed site.
- Task 2 Detailed review of soils information with emphasis on drainage and sewerage disposal limitations.
- Task 3 Detailed review of stormwater drainage and its impact upon adjacent properties.
- Task 4 Detailed review of roadway design.
- Task 5 Prepare and submit a letter report addressing tasks 1 through 4.

DuBois & King, Inc. will perform the above Scope of Work in accordance with our Master Contract. We suggest a budget of \$2,800.00. Actual costs will depend on the thoroughness of the original submittal, extent of coordination required, and whether subsequent submittals and reviews are necessary.

If you find this proposal to be acceptable, please execute both copies of this proposal, and return one to this office. We will complete the review and submit the report within 21 days following receipt of a signed copy of the Agreement.

Upon receipt of the executed Agreement we will initiate work.

We look forward to serving the Town of Barrington on this project.

Very truly yours,
DuBOIS & KING, INC.
