I

seek the following waiver to the Town of Barrington  
Subdivision Regulations for the above case submittal:

Your petitioner seeks the following relief:

1.) A waiver to Subdivision Regulations Appendix I Roadway Design Sub-Section P, which requires a minimum side slope of 4' horizontal to 1' vertical unless the length of the grade is greater than 10'. We are requesting that 2' horizontal to 1' vertical be allowed throughout and feel a waiver to this section is justified, as all 2' horizontal to 1' vertical side slopes will be protected from erosion by the use of jute mat. Also, the reduction will allow for more protection to side slopes adjacent to the wetland systems to include prime wetland #11 on the Southeasterly side of the project.
