RE: 39 Knowles Drive

On Monday morning I met with Mr. Roy, Chief Walker and Marcia Gasses on site to discuss Mr. Roy's options. What we came up with is for Mr. Roy to use his existing driveway. The lots have not been merged; and in the interest of safety it would be better to use the existing driveway. Given the location there is no safe way to make a new driveway entrance and strongly feel that the best thing to do is use the existing driveway entrance.

Respectfully,
