Re: Wm. Huff Moving and Storage

Dear Planning Board Members,

On behalf of our client, William Huff Moving and Storage, we hereby request a continuance of our hearing scheduled for April 15, 2014 to your May 6, 2014 meeting. Our engineer has been trying to coordinate with Dubois & King regarding drainage study comments and has been unsuccessful in his attempts. We also need time to research and evaluate building codes.

I understand that you wish to have someone show up at your April 15th meeting to request the continuance in person, however I will be unavailable as I have a Planning Board meeting in Alton, NH to attend.

Sincerely,

Randy R. Orvis, L.L.S.
