Dear Ms. Gasses:

MJS Engineering, PC on behalf of Turbocam International is formally requesting a continuation of the public hearing regarding the above listed Site Plan and Condition Use Application to the November 18, 2014 meeting. The reason for this request is to move the meeting to a time when a representative of Turbocam is available to attend the meeting to better explain the facility operations.

Please call me at (603) 659-4979 x202 with any questions or comments.

Sincerely,
