Dear Mr. Wilkins:

This is to inform you that the Barrington Planning Board at its December 15, 2015 meeting **APPROVED** your request for an extension to meet precedent conditions for the application referenced above. The Board voted that the extension granted would be the final extension granted to meet precedent conditions.

The new extension date is May 17, 2016.

Please let the Land Use Office know if you are having difficulties meeting the conditions of approval, including the necessary State permits. All conditions were customary for an application of this type.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses
