RE: Waiver Request from Site Review Regulations

Dear Chairman,

This letter is to request waivers from portions of the Town of Barrington Site review checklist and portions of the Site Review Regulations.

Waiver from Section II of the checklist: 20 (C & D), 22 (A-K), 25 (A-C) and 31.

Waiver from the Site Review Regulations: Article 3.5.1(1) proposed topography; 3.5.1(2) spot elevations; 3.5.2 existing and proposed drainage; 3.5.10 landscaping and screening; 3.6 construction detail drawings; 3.7 building rendering; 3.8 illumination plan; 3.9 site plan documents and reports.

This site was originally approved in 1997 by the town planning board, and all of this information should be on file with the town. This site review is for the drilling of a well to service the subject premises only. There will be no changes to topography, parking, structure, drainage, landscaping, lighting, and access.

Please contact me with any questions or concerns regarding these waivers.

Respectfully Submitted
