RE: Variance Application for Nippo Pond LLC Tax Map 112, Lot 35 (Harlan Drive)

Marcia,

I am writing to formally request a continuance for the above mentioned application currently in review. I was informed that members of the board will be absent from the next two meetings. At this time, on behalf of Nippo Pond LLC I would like to continue the application until the August meeting.

Sincerely,

Randy R. Orvis – LLS #652
