Re: Conditions of Approval for Minor Site plan Revision - Milo's Pizza  
**Map 238 / Lot 7**

Ref: 2011 Minor Site Plan Revision Conditions of Approval

Dear Marcia,

As a follow up to our conversation of 6/4/15. Milo's is requesting a meeting with the Planning Board to review and address the remaining conditions of their 2011 minor site plan approval.

For the Boards information the following are attached with this letter.

- Approved 2011 site plan
- Copy of the 2011 Conditions of Approval
- Redline plan showing the changes proposed.
  - *Added the deed reference to the owner of record: SCRD Bk 3460 Pg 411.*
  - *Eliminated note 14 referencing a previous well on site that was abandoned.*

Also attached:

- Abutters list
- Abutter notification and newspaper notification fee

Fee:

20 abutters x \$7 = \$140  
Newspaper fee = \$75  
Total fee: \$215

Please let me know if you need any additional information.

Sincerely,

**HAIGHT ENGINEERING, PLLC**

Stephen J. Haight

c.c. George Tsoukalas w/Enc.

## NOTICE OF DECISION

RSA 676:3

### Town of Barrington Planning Board

#### Case SR 11/392 (Millo's Pizza)

After due Public Hearing, the Planning Board at their public meeting on July 7, 2011 completed its consideration of an application for a request by applicant for a minor site plan amendment to increase the number of available parking spaces from 34 to 49, remove and pave internal islands, and add catch basin grates to existing infiltration basins, on a 2.25 acre site located at 575 Franklin Pierce Highway (Map 238, Lot 107) in the Town Center (TC) and Stratified Drift Aquifer Overlay (SDA) Zoning Districts.

Applicant: Haight Engineering, PLLC, Stephen J. Haight; 181 Watson Road; Dover, NH 03820

The submittal was shown on a Minor Site Plan Amendment prepared for George Tsoukalas, dated March 2011 and revised through July 8, 2011, located at 575 Franklin Pierce Highway (Map 238, Lot 7) prepared by Haight Engineering, PLLC; P.O. Box 1166; 181 Watson Road; Dover, NH 03820.

As a result of such consideration, the Board voted Six (6) - Zero (0) to approve the application for minor site plan amendment with the following conditions:

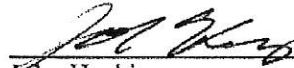

1. Adherence to all Notes on Plan.
- 2. Provide the owner of record deed book and page numbers under Notes for Plan Reference.
- ✗ 3. Provide the copy of the well agreement &/or easement for the Land Use Department case file folder as referred to at plan Note #14.
4. The applicant is responsible for returning the Mylar to the Town of Barrington.
5. A PDF of all plans is to be provided to the town on CD by the applicant.
- 6. One petition for waiver requests was granted and is to be noted on the Minor Site Plan Amendment:

LAND USE OFFICE  
JUN 15 2015  
RECEIVED

- A. Under Article 8-Waiver Procedure for the Town of Barrington Site Plan Regulations, the applicant petitions to waive the requirements of Site Plan Regulation 4.9.7 (1) to eliminate the interior landscape islands to allow better traffic flow around the site and allow for increase of parking spaces.

Any person aggrieved by this decision of the Planning Board has the right to appeal as outlined in RSA 677:15.

## EASEMENT

EASEMENT, made this 2nd day of August, 2007 by and between George Tsoukalas of Barrington, County of Strafford and State of New Hampshire (mailing address: P.O. Box 299, Barrington, NH 03825), hereinafter the Grantor, and George and Arvilla Calef of Barrington, County and State aforesaid (mailing address: 9 Mallego Road, Barrington, NH 03825), hereinafter the Grantees, as follows:

1. Grantor is the owner of a parcel of land located on the northerly side of Route 9, so-called, in the Town of Barrington, being Lot #7 on Assessors Map 238.
2. Grantees are owners of a parcel of land on the easterly side of Route 125, so-called, in said Barrington, being Lot #5 on Assessors Map 238. The rear of Grantees' lot abuts the lot of the Grantor.
3. For a number of years, and prior to Grantor's purchase of Lot #7, Map 238, Grantees have drawn water from a well located on said lot for the benefit of the commercial use located on Grantees' parcel.
4. Grantor now proposes to locate a new well on Lot #7, Map 238 that will service a commercial use to be located on that parcel. This will require the discontinuance of the use of the existing well.
5. In view of the above, upon the installation and activation of the new well, Grantor shall grant to Grantees an easement to access the new well and the right to draw water from the new well to the extent of Grantees current use of the existing well. The location of the service line to Grantees' lot shall be determined by Grantor's design engineer.
6. The cost of the installation of the new well shall be borne by Grantor. Grantees shall be responsible for the construction and maintenance of any new line on their property.
7. A meter shall be installed to measure and monitor the usage of water by the premises on Lot #5, Map 238. Following the initiation of service from the new well the occupant of the premises of Lot #5 shall be responsible for a share of the costs of utilities and any future repairs or improvements related to the use of the well in an amount equal to the percentage of the occupant's use of water as determined by the meter.

8. This easement shall remain in full force and effect as long as Grantees or their successors continue the current commercial use on Lot #5, Map 238.
9. Grantor or his Agent shall have the right, upon reasonable notice, and at reasonable times, to enter upon the premises on Lot #5, Map 238, to determine Grantees' level of consumption of water from the newly installed well.
