Memo

To: The Board of Selectmen
From: Peter Cook
Date: September 28, 2016
Re: 333 Mica Point Road-Linda Harrington
Map 118 Lot 31

I inspected the road condition of Mica Point road on September 25, 2016. Mica Point is a private road on Swains Lake, I found it to be in good shape and there are no issues with the pavement. Given it is an existing house, I believe the owners of this property are already members of the road association. If they are not I would recommend they join the association for future road repairs. I see no issues with the road and would recommend issuing a building permit.

Respectfully,
Peter Cook
Road Agent
