Engineering Review Services

Dear Ms. Gasses:

As requested, we hereby submit our proposal for review of the proposed site plan application for the above referenced project. We understand that our review services will be limited to a review of the stormwater report by Berry Surveying & Engineering and associated Site Plan (dated July 28, 2015).

#### **SCOPE OF WORK**

The following items are included in the Scope of Work:

- Task 1** Field inspection of site
- Task 2** Detailed review of stormwater report.
- Task 3** Detailed review of site plan.
- Task 4** Prepare and submit a letter report addressing tasks 1 through 3.

DuBois & King, Inc. will perform the above Scope of Work in accordance with our Master Contract. We suggest a budget range of \$900 to \$1,200. Actual costs will depend on the thoroughness of the original submittal, extent of coordination required, and whether subsequent submittals and reviews are necessary.

If you find this proposal to be acceptable, please execute both copies of this proposal, and return one to our office. We will complete the review and submit the report within 10 days following receipt of a signed copy of the Agreement.

Upon receipt of the executed Agreement we will initiate work.

We look forward to serving the Town of Barrington on this project.

Very truly yours,

DuBOIS & KING, INC.
