

# BARRINGTON POLICE

April 12, 2021

## Chief's Corner

*"March has continued to test the resources of the Barrington Police Department. Two more cruisers were placed out of service as a result of calls for service. Unit 2 was shot several times during a critical incident on Cortland Way. The second cruiser, Unit 3, was ruled a total loss due to being struck head on when a suspect tried to flee police after striking an officer with his vehicle. Thankfully, no police officers were injured during these encounters. March also saw BPD conducting a hiring process to replace Ofc. Seawards. We hope that April brings better news and look forward to continuing to serve the community of Barrington. As always, if anyone has any questions, comments or concerns please reach out."*
