

Monday	<ul style="list-style-type: none"> • Get Moving: This is your choice! Use this time to go for a walk or ride your bike. The goal is to get yourself moving. If you have a basketball hoop, shoot some hoops or kick around a soccer ball. • Bug Find – Here is a link of all the insects in New Hampshire. Go in your back yard and see if you can find any of them! Try to sketch out some of the bugs you find or take some pictures. https://www.insectidentification.org/insects-by-state.asp?thisState=New%20Hampshire • Paper Plate Bug – Using a paper plate, markers, crayons, paint, scissors, and glue (or tape). Try to replicate your favorite bug! https://littleschoolofsmiths.com/2019/05/17/paper-plate-bugs/ • If you have a pool or access to a lake this is an easy activity however if you don't, it's time to get creative. Sprinklers are great ways to run around and stay cool. If you're with family or friends water balloons are always a fun activity, Just be sure to clean up after. Another way to stay cool is with buckets of water and sponges. *ALWAYS SWIM WITH ADULT SUPERVISON
Tuesday	<ul style="list-style-type: none"> • Exploring Volcanos – Here is a link to an interactive Map where you can learn all about the volcanos in our country. https://avo.alaska.edu/activity/Spurr.php • Build your own Volcano – Here is a link to step by step instructions on how to make your own volcano. http://www.sciencefun.org/kidszone/experiments/how-to-make-a-volcano/
Wednesday	<ul style="list-style-type: none"> • Build a Fort – Spend part of your time gathering good, sturdy tree branches and sticks. Find a good spot with strong trees to help your structure. Use this link to help with ideas and building tips. https://www.instructables.com/id/Leaf-and-Stick-Fort/
Thursday	<ul style="list-style-type: none"> • Zoo & Aquariums – Here are some links to different interactive websites to see zoo and aquarium animals. https://kids.sandiegozoo.org/videos https://www.georgiaaquarium.org/webcam/ocean-voyager/ http://samuraivirtualtours.com/example/nadc/index.html https://artsandculture.withgoogle.com/en-us/national-parks-service/parks • Make your own Animal – using recyclable items around your house and craft supplies create your favorite animal. You can also take it one step further by creating your very own animal!
Friday	<ul style="list-style-type: none"> • Scavenger Hunt – Go on a hunt for these items; <ul style="list-style-type: none"> ▪ Smooth rock ▪ Fern ▪ Pinecone ▪ Rock shaped like a state ▪ Stick that looks like a letter (not I) ▪ Wild flower ▪ Acorn ▪ Feather ▪ Wild berries (don't touch!) ▪ Animal tracks (draw a picture of them) ▪ Mushroom • Wildlife Encounters: https://www.barringtonlibrary.com/events.asp Pre-registration for this program is required
