TOWN OF BARRINGTON Paving Request for Proposal

Summary:

The Town of Barrington through the Select Board is looking for competitive proposals for its 2021 paving projects including grinding, base coat, on other roads overlay and finish coat of approximately 6,265 tons. Ideally the project will be completed by September 1, but if the firm knows the project cannot be completed until after October 1, please note that fact which will be a consideration in the decision of whether to award the project. Depending upon the quoted price the Town may elect to do less tonnage and/or fewer roads.

Scope of work can be shown to each contractor by the Road Agent onsite if requested. Each contractor is responsible for taking their own measurements of affected areas.

The deadline for proposals will be 12:00 noon Wednesday April 7, 2021. Proposals will be opened at the Barrington Town Hall at 1:00pm on Wednesday, April 7, 2021. The Road Agent will prepare a recommendation to be presented to the Select Board at the April 12, 2021 meeting. The Select Board reserves the right to accept, reject, modify or negotiate any and/or all proposals or any portion thereof in the best interest of the Town of Barrington and to waive informalities. The Board also reserves the right to reduce the tonnage being laid even after award of the contract and changes to the total of roads listed. Winning firm will be required to post a performance and performance and payment bond and insurance certificates.

13	Pond Hill Road- from Camp Fireside to Second Crown Point Road	Reclaim, blend 3 to 6 inches 1 ½" stone, fine grade, compact and pave with 2 ½" binder

*Some roads may be added or deleted because of the pending engineering, or drainage work not being completed on time. Thickness of added stone on full depth reclamation sections may vary from 3 to 6 inches. All phases of this work including paving shall be bid with no escalation clause.

Please use the bid form that is within this Request for Proposal and specify prices for each item requested. Tack will be required in all projects involving pavement being laid on pavement and is to be included in the per ton price of paving.

All reclaim work shall have be a minimum of 6-8 inches below existing pavement depth. This operation will also strive to end up reclaiming 6-8 inches below existing pavement. Regrading and compaction shall be done using water, any large cobbles or asphalt chunks will be

Barrington, NH Request for Proposal Paving 2021

removed as needed. All reclaim work shall have between 2.5% and 3% crown. In some instances, as determined by the Road Agent, the road shall be super elevated on corners where higher speeds are prevalent. Any reclaim material not used to establish final sub-base grade can be windrowed to the shoulder where the Highway Department will use it as shoulder gravel after paving. All driveway and roadway tie ins whether base or wear course shall be milled full depth to the thickness being applied and tack coated. This will also be included in the per ton pricing. Longitudinal joints will need to be luted if they are in danger of leaving a pronounced visible or physical ridge. Random compaction testing and core samples may be done at any time by the request of the Road Agent. The cost of this testing will be borne by the Town. Contractor is responsible for notifying dig safe prior to reclamation. Due diligence should be employed with regards to raining conditions. Binder can be laid in a very light rain. Wear course should only be applied in dry conditions. Any asphalt material, binder or top exiting from the paver screed or any screed extensions shall be considered machine work. This includes start off pads and any tip downs to roads or driveways using screed extensions on the fly. Handwork will be considered to be anything that is wheelbarrowed in and raked by hand.

The material must meet NHDOT standards for quality for each type of work and for temperature and conditions at which it is being laid. Please note any exceptions to the Additional Details section.

All proposals must be submitted in a sealed envelope; plainly marked "2021 Paving Proposals" Proposals can be dropped off at the Select Board's office, Barrington Town Offices at 333 Calef Highway, Barrington NH or mailed to Town of Barrington, P.O. Box 660 Barrington NH 03825. Note that the Town may not consider late delivery of mailed proposals. Do not mail to 333 Calef Highway. For more information, please call Marc Moreau (603) 948-5203.

Additional Details:

Proposal response must be based on all labor and materials per attached specifications, including "flag people" as needed or where required by the Barrington Police Department. Contractor wishing to submit additional consideration for project will do so as an addendum to this Proposal Sheet. Proof of Worker's Comp and Liability Insurance will be provided to the Town by the Contractor and required to be held by the awarded firm for the duration of the project. Proposal must include written proof verifying Contractor or Subcontractors are not listed on the "Excluded Parties List" @ <https://www.sam.gov>. Contractor will be required to submit a performance and payment bond.

While the cost is an important factor, it is not the only factor. The Board may also consider references, design, quality, life cycle costs, time frame for completion and other similar factors in making the final decision on what it deems best overall for Barrington. Firms shall submit proposals with sufficient details for the Select Board to make a selection. The firm shall not, directly or indirectly, enter into any agreements, participate in any collusion, or otherwise take any action in restraint of free competitive proposals in connection with this proposal. The

Barrington, NH Request for Proposal Paving 2021

successful firm shall not use the name of the Town in any advertising without first obtaining written permission from the Select Board. Any changes to the provisions or specifications of this Proposal shall be made by written addendum issued no later than 4 working days prior to the proposal opening date. Prospective Firms shall have complete responsibility for being aware of any and all addenda.

The Select Board or its designees may make such investigations as it may deem necessary to determine the ability of the firm to perform the services, check references, and the firm shall furnish the Town all such information for this purpose that the Town may request. Select Board reserves the right to reject any or all Bids, including without limitation, nonconforming, nonresponsive, unbalanced, or conditional Bids. Select Board will reject the Bid of any Bidder that Select Board finds, after reasonable inquiry and evaluation, to not be responsible. In evaluating Bids, Select Board will consider whether the Bids comply with the prescribed requirements, unit prices, and other data, as requested in the Bid Form. If Bidder purports to add terms or conditions to its Bid, takes exception to any provision of the Bidding Documents, or attempts to alter the contents of the Contract Documents for purposes of the Bid, then the Select Board will reject the Bid as nonresponsive; provided that Select Board also reserves the right to waive all minor informalities not involving price, time, or changes in the Work.

The Contractor acknowledges that it is an independent Contractor responsible for its own acts and performance under the Contract, including the acts of its employees and performance of its equipment. In addition to maintaining the required insurance under this Contract, the Contractor to the fullest extent permitted by law, shall protect, indemnify, save, defend and hold harmless and exempt the Town, its officers, officials, agents, volunteers and employees ("Indemnified Parties") from and against any and all liabilities, obligations, claims, damages, penalties, causes of actions, costs, interest and expenses, including but not limited to reasonable attorney and paralegal fees, which Indemnified Parties may become obligated by reason of any accident, bodily injury, personal injury, death of person, or loss of or damages to property, arising indirectly or directly under, in connection with, or as a result of this agreement or the activities of the contractor. In addition, and regardless of respective fault, the Contractor shall defend, indemnify and hold harmless the Indemnified Parties for any costs, expenses and liabilities arising out of a claim, charge or determination that the Contractor's officers, employees, contractors or agents are employees of the Indemnified Parties, including but not limited to claims or charges for benefits, wages, fees, penalties, withholdings, damages or taxes brought in connection with laws governing workers compensation, unemployment compensation, social security, Medicare, state or federal taxation, and/or any other similar obligation associated with an employment relationship.

The firm shall, in the employment of labor, comply with the laws of the State of New Hampshire, including but not limited to Chapter 275, RSA, as amended, "Hours of Labor", Chapter 279, RSA as amended, "Minimum Wage Law".

Barrington, NH Request for Proposal Paving 2021

Insurance: At the time of the execution of the Contract, the Contractor shall present to the Select Board, proof of the required Liability Insurance Coverage. The Contractor shall provide proof of commercial general liability insurance, including completed operations coverage, with limits of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate, and shall add the Town to the policy as an additional insured by way of amendatory endorsement and certificate of insurance. The liability insurance shall contain contractual liability coverage applicable to the indemnification obligations of the contractor. Contractor shall provide proof of acceptable automobile insurance applicable to activities in connection with the project, as well as workers compensation insurance applicable to its employees. The Town shall not be required to indemnify or insure the contractor, its subcontractors, or any professional service provider. The Contractor agrees that it will carry any and all insurance which will protect it, the Town of Barrington and their officials, agents, volunteers and employees from any and all claims and demands, costs, damages, loss of service or consortium, expenses, compensation and attorneys' fees including but not limited to any and all claims for personal injury and/or death, workers' compensation injuries, and property damages which may, in any way, arise from or out of the operations of the Contractor whether such operations be performed by the Contractor itself, anyone directly or indirectly employed by it or any other persons or company retained in any way to carry on all or portion of the operations, activities or work required by or related to the Contract. The Contractor further agrees that the Town and its officials, agents, volunteers, and employees shall be named as an additional insured in any and all such liability insurance policies required by the Town.

Upon receipt of written notice of acceptance of their proposal, the successful firm shall within ten calendar days to the Town and under (RSA 447:16) deliver to the Town an executed Performance Bond as security in the amount of 100% of the contract price, as security for the faithful performance of his Contract and the payment of all persons performing labor or furnishing materials in connection therewith, prepared in the form of a Performance & Payment Bond attached hereto, and having a surety thereon such surety company or companies are as approved by the Town, and as are authorized to transact business in the State of New Hampshire. Such bond shall acknowledge and permit occupancy of the project or any portion thereof prior to formal acceptance by the Town.

The firm will guarantee the work and materials and the work and materials of all subcontractors for a period of one year from the date of acceptance of the work by the Town and agree to leave the work in perfect order at completion. Neither the final certificate of payment nor any provision in the Contract documents shall relieve them of responsibility for negligence, or faulty materials, or workmanship within the extent and period provided by law, and upon written notice they shall remedy any defaults due thereto and pay all expenses for any damage to work resulting there from. It is hereby specifically agreed and understood that this guarantee shall not include any cause or causes other than defective work or materials.

Barrington, NH Request for Proposal Paving 2021

The Contractor also shall carefully examine the Specifications and the Contract forms of the work contemplated. The Contractor shall not, at any time after the execution of the Contract, set up any claims whatsoever based upon insufficient data or incorrectly assumed conditions, nor shall it claim any misunderstanding in regard to the nature, conditions, or character of the work to be performed under this contract, and it shall assume all risks resulting from any change in the conditions which may occur during the progress of the work.

The Town shall make payment on account of the Contract as follows: The Contractor shall invoice the Town for the work completed. After receipt of the Contractor's invoice by the Town, the Town's agent shall inspect the premises and if the work has been completed in accordance with the Contract Documents, the Town will make payment on or within thirty days of the approved amount of the invoice. Before final payment is made to the Contractor, it shall submit evidence satisfactory to the Select Board that all payrolls, material bills and other indebtedness connected with the work have been paid.

The entire work contemplated by the Contract shall be under the supervision of the Select Board, or their agents so designated, and all questions concerning the prosecution of the work shall be referred to and decided by them.

Determination and Extension of Contract Time: It is a desired part of the Contract that the Contractor shall perform fully, entirely and in an acceptable manner, the work under Contract within the time stated in the Contract. If the Contractor finds it impossible for reasons beyond its control to complete the work within the ideal Contract time, it shall make a written justification to the Select Board setting forth the reasons which it is taking longer.

Assignment: The Contractor shall not assign, sublet, or transfer its interest in this agreement without written consent of the Select Board of Barrington.

Bids shall be on a unit price basis as indicated in the Bid Form Bidders shall submit a Bid on a unit price basis for each item of Work listed in the unit price section of the Bid Form. The "Bid Price" for each unit price Bid item will be the product of the "Estimated Quantity" (which Select Board or its representative has set forth in the Bid Form) for the item and the corresponding "Bid Unit Price" offered by the Bidder. The total of all unit price Bid items will be the sum of these "Bid Prices"; such total will be used by Select Board for Bid comparison purposes. Discrepancies between the multiplication of units of Work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.

Your request for prequalification in order that you may bid on projects advertised and let by this Department has been reviewed and is in compliance with the prequalification regulations for Public Works and/or Road and Bridge projects valued at **\$5,000,000 or under**. The Department assigns ratings in the various classifications, some of which are listed below:

- | | |
|-----------------------|---------------------|
| Road Construction | Bridge Construction |
| Site | Utilities |
| Water | Sewer |
| Traffic Signals | Highway Lighting |
| Building Construction | Bridge Painting |
| Mechanical | Electrical |
| Asbestos Removal | Paving |
| Roofing | Landscaping |

Eligibility for bidding on a particular project will be determined by the Prequalification Committee at the time that the request for plans, specifications and a proposal is made. Their decision will be based on the magnitude and complexity of the project in question and on the requesting firm's capability to successfully prosecute to completion the particular project.

Your firm has been rated on a project by project basis for those projects in the following classifications: **Small road construction, paving, site work and water and sewer**. Your prequalification will expire on **March 31, 2021**.

All prequalification information supplied to this office will be held in strict confidence and used for no other purpose than for prequalification for bidding on projects advertised and let by this Department.
