Title **Six Wheel Dump Truck with Equipment**
Date May 18, 2020

I. INTRODUCTION

The Town of Barrington is requesting pricing and availability of a new Six Wheel Dump Truck and equipment configured for snow removal operations. The unit consists of single rear axle dump truck with front plow and single wing with stainless-steel dump body and stainless-steel sander. The Town is requesting pricing to provide and install equipment specified. Costs will not be the sole factor in awarding this request for bid, functionality, operating cost and vendor proximity will be a consideration as well.

II. GENERAL REQUIREMENTS

Vendors making proposals must respond in writing to all requirements of this Request for Bid (RFB). Responses should reflect detailed considerations of the issues and opportunities presented by this specific project. Any additional information or tasks that are felt to be relevant by the responding firm should be included together with the submittal requirements.

No late, email or facsimile proposals will be accepted.

Costs incurred for the preparation of a proposal in response to this RFB shall be the sole responsibility of the vendor submitting the proposal. The Town of Barrington reserves the right to select or reject any vendor that it deems to be in the best interest to accomplish the project specified. The Town reserves the right to accept the proposal on one or more items of a proposal, on all items of a proposal or any combination of items. The Town reserves the right to discontinue the selection process at any time prior to the awarding of a contract. The Town reserves the right to waive defects and informalities of the proposals.

Questions must be directed to Marc Moreau at 948-5203 or mmoreau@barrington.nh.gov no later than 7 days prior to bid date and time on cover page of this document.

III PROJECT REQUIREMENTS

See Attachment A, B, & C Specifications: Under “**compliance**” check off Yes or No for **ALL** lines. Any NO answers to the provisions in these specifications must be documented in comment section. If more space is needed, use separate page, on your letterhead, reference the section heading, and provide a detailed explanation of the exception along with the bidder's alternative proposal. Bids not following this format may not be considered.

IV INFORMATION AVAILABLE

Attachments A- Specifications for Cab and Chassis (Must be submitted with this bid)

Attachments B- Specifications for New Equipment (Must be submitted with this bid)
