The list aforesaid is a correct list of the assessment of the State,
County, Town, and School taxes for the year 1853. upon the
ratable polls and estates of the inhabitants of said Barrington,
as made by us, the Selectmen of said Barrington. If any
person named in said list, after having received from you
a written notice of the tax for which he is liable, given to him
in person, or left at his usual place of abode by you, shall
neglect or refuse for the space of fourteen days, to pay the same;
or if any corporation named in said list, after a like notice, shall
neglect or refuse to pay such tax; or if you have reason to believe
that any person named in said list is about to remove from town,
and such person shall, on demand, neglect or refuse to pay
the tax, you are directed to collect the same by distress and sale of the
goods of such person or corporation in the mode prescribed by law;
but you are not to distress the tools or implements of any person
necessary for his trade or occupation, nor his arms, nor his utensils
of household necessary for upholding life; nor bedding or apparel
necessary for him or his family; nor uniform arms or equipments

of any officer, non-commissioned officer or private. And for
for want of goods and chattels whereon to make distress, you are directed
to take the body of any person refusing or neglecting to pay as
aforesaid, and to commit him to the common jail, there to remain
until discharged according to law. If any person shall die, or
remove from the town, without having paid the tax aforesaid
assessed against him, and shall have in said town, no personal
estate on which distress can be made; or in case any person or
persons shall neglect or refuse to expose goods and chattels
whereon distress may be made, you are directed, within one year
from the first day of June next, to sell so much of the real
estate of such delinquent as will pay the taxes and incidental
charges, and to execute a conveyance of the same in the manner
prescribed by law.
