State of New Hampshire Strafford S.S.
 To Eben S. Locke collector of taxes for the town of
 Barrington in said county. In the name of said state
 you are required to collect of the several persons and
 corporations named in the following annexed list,
 herewith committed to you, ^{the taxes} set against their respective
 names amounting in all to the sum of \$ 10486.74 with ten
 per cent interest from the first day of December next on all
 sums not paid on or before that day and to pay the same
 to the Treasurer of said Barrington on demand.

You are further required to pay to said Treasurer on
 the first Saturday of every month, all money collected by
 you up to that time and not before paid to him and at the
 same time to submit your tax book and list to him for his
 inspection and computation. The list on the following pages
 which is hereby made a part of the Warrant is a correct list
 of all the taxes assessed for the year 1893 upon the ratable
 polls and estates of said town of Barrington as made
 by us the Selectmen of Barrington. If any person named
 in said list after having received from you a notice of the
 Tax of which he is liable, given to him in person or left at his
 usual place of abode by you, shall neglect or refuse for the
 space of fourteen days to pay the same, or if any corporation
 named in said list after a like notice shall neglect or refuse
 to pay such tax, or if you have any reason to believe that
 any person named in such list is about to remove from town
 and such person shall on demand refuse or neglect to pay
 his tax, or if the tax is against a person who is not an inhabi-
 tant of this state, or if the person against whom the tax is,
 has removed from town you are directed to collect the same

by distress and sale of the goods of such person or corporation
 in the mode prescribed by law. But you are not to distrain
 the tools or implements of any person necessary for his trade
 or occupation nor his arms nor his utensils of household
 necessary for upholding life nor bedding nor apparel necessary
 for him or his family. And for want of goods and
 chattels wherewith to make distress, you are directed to take
 the body of any person refusing or neglecting to pay
 as aforesaid and to commit him to the common jail
 there to remain till he pays such tax costs of commitment
 and charge of imprisonment, or is otherwise discharged
 by due course of law. If any person shall die or
 remove from town without paying the tax aforesaid
 assessed against him and shall leave any personal
 estate in said town upon which distress can be made,
 or in case any person or corporation shall neglect or
 refuse to expose any goods and chattels wherewith distress
 can be made, you are directed within one year from the
 first day of June following to sell so much of the real
 estate of such delinquent as will pay the taxes and incidental
 expenses and charges and to execute a conveyance of the same
 in the manner prescribed by law.
