L.S. State of New Hampshire.
 Strafford Co.
 To John L. Critchett - Collector of Taxes for the Town of Barrington in said County.

In the name of said State you are directed to levy and collect of the several persons named in the list herewith committed to you, the taxes in said list set against their names respectively, with interest at ten per cent. from the first day of December next on all sums not paid on or before that day, the whole amounting to the sum of \$159.20. And we further order you to pay the same, when collected, to the treasurer of said town on demand.

The list on the following pages is a correct list of the assessment of the State, county, town, and school taxes for the year 1896 upon the ratable polls and inhabitants of said Barrington, as made by us, the Selectmen of said Barrington.

If any person named in said list after having received from you a written notice of the tax for which he is liable, given to him in person or left at his usual place of abode by you, shall neglect or refuse, for the space of fourteen days, to pay the same, or if any corporation named in said list, after a like notice, shall neglect or refuse to pay such tax, or if you have any reason to believe that any person named in said list is about to remove from Town, and such person shall, on demand, neglect or refuse to pay his tax, you are directed to collect the same by distress and sale of the goods of such person or corporation, in the mode prescribed by law but you are not to distrain the tools or implements of any person necessary for his trade or occupation, nor his arms, nor his utensils of household necessary for upholding life; nor the uniform, arms or equipments of any officer, nor commissioned officer or private. And for want of goods and chattels whereupon to make distress, you are directed to take the body of any

person refusing or neglecting to pay, as aforesaid and to commit him to common jail, there to remain until discharged by law, according.

If any person shall die, or remove from the Town, without having paid the tax aforesaid assessed against him, and shall leave in said town no personal estate upon which distress may be made, or in case any person or persons shall neglect or refuse, to expose good and chattels whereon distress may be made, you are directed within one year from the first day of June next, to sell so much of the real estate of such delinquent as will pay the taxes and incidental charges and to execute a conveyance of the same in the manner prescribed by law.

On the first Saturday of every month you will pay over to the Town-treasurer all money by you collected and not previously paid to him, and will also submit your tax book and list to him for inspection and computation.

Given under our hand and seal, at Barrington this Eighteenth day of June in the year 1896.

 To *John L. Critchett*, Collector of taxes for the Town of *Barrington*, in said County.

In the name of said State you are directed to levy and collect of the several persons named in the list herewith committed to you, the taxes in said list set against their names respectively, with interest at ten per cent from the first day of December next on all sums not paid on or before that day, the whole amounting to the sum of \$655.80 And we further order you to pay the same when collected to the Treasurer of said town on demand.

You are further required to pay to said Treasurer, on the first Saturday of every month all money collected by you up to that time, and not before paid to him, and at the same time to submit your tax list and book to him for his inspection and computation.

The list on the following pages which is hereby made a part of this warrant is a correct list of all taxes assessed for the year 1897, upon the ratable polls and estates of said *Barrington* as made by us, the Selectmen of said *Barrington*.

If any person named in said list after having received from you a notice of the tax for which he is liable given to him in person or left at his usual place of abode by you, shall neglect or refuse, for the space of fourteen days, to pay the same, or if any corporation named in said list after a like notice shall neglect or refuse to pay such tax, or if you have reason to believe that any person named in said list, is about to remove from Town, and such person shall, on demand neglect or refuse to pay his tax, or if the tax is against a person who is not an Inhabitant of

And for want of goods and chattels whereon to make distress you are directed to take the body of any person refusing or neglecting to pay as aforesaid, and to commit him to the common jail, there to remain until he pays such tax, cost of commitments, and charges of imprisonment or is otherwise discharged by due course of law. If any person shall die or remove from the Town without paying the tax aforesaid against him and shall leave in said Town, no personal estate upon which distress can be made, or in case any person or corporation shall neglect or refuse to expose goods and chattels whereon distress may be made, you are directed, the first day of June following to sell so much of the real estate of such delinquent as will pay the taxes and incidental charges and to execute a conveyance of the same in the manner prescribed by law.
