Re: <sup>233-38</sup>~~217-27~~ NR/HCO-1 (Owners: Town of Barrington) Review of a proposal to construct a gravel parking lot located on Franklin Pierce Highway (Map 233, lot 38) in the neighborhood Residential (NR) and Highway Commercial Overlay (HCO) Zoning Districts. To be considered a hearing under RSA 674:54, II

Dear Mr. Wallace,

The Barrington Planning Board at its September 4, 2018 meeting reviewed the application referenced above under RSA 674:54, II and had the following comments:

- The Board did not have concerns with the proposed parking spaces
- It was suggested that brush be cleared to allow for a clear view into the parking area to discourage illegal activity and access after hours.

Please let me know if you have any questions.

Sincerely,

Marcia J. Gasses

Town Planner and Land Use Administrator
