- Re: 263-13.1-13.2-18-19-RC-9.6 Request by for a Section 9.6 Special Permit for construction in a wetland buffer the wetland total impact would be 1,412 s.f. with the wetland buffer total impact for 7 locations 26,972 s.f. By: Barry W. Gier, PE, Jones & Beach Engineers, Inc.
- Re: 263-13.1-13.2-18-19-RC-SR Request by Applicant Arleigh Green, Hard Rock Development, LLC, for development of an excavation project for the sale of sand/gravel. Construction to include the construction of proposed roads shown to road base and proposed drainage features on Route 125 (Calef Highway) and Pierce Road (Map 269, Lots 13.1, 13.2, 18, & 19) in the Regional Commercial Zoning District. By Barry W. Gier, Jones & Beach Engineers, Inc.: 85 Portsmouth Avenue, Stratham, NH 03885

Dear applicant:

This is to inform you that the Barrington Planning Board at its June 5, 2018 meeting accepted as complete and **CONTINUED** to the July 10, 2018 meeting the application referenced above.

The Board granted a 9.6 Permit for Impacts #1, #4, #5, #6, and #7 shown on the plan dated 5/7/2018. Wetland buffer impacts #2 & #3 on the plan are directly related to the wetland crossing and do not require a Special Permit under Article 9.5.1(3) of the Zoning Ordinance.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses
Town Planner & Land Use Administrator
