MEMO

June 19, 2019

To: Suzanne McNeil

Reference: Map 241 Lot 7

Location: 39 Bassett Drive

Owner: Christina and Michael Konopko

The Barrington Planning Board at the June 18, 2019 meeting expressed without objection to send a letter to the Select Board stating that they knew of no pending projects or conditions that would hinder the issuing of a building permit for Map 241 Lot 7, located on Bassett Drive. The Board recommends the road be graded from Wildcat Road to the property line as recommended by Dana Drake, Highway Department designee, prior to the issuance of a Certificate Occupancy. It is recommended the Konopko's, join the road association to help with future maintenance if they have not already done so. Please note the application as presented does not meet the Select Board policy of Class VI and Private Roads minimum width requirement.

Sincerely,

Marcia J. Gasses
