By: Scott Frankiewicz, New Hampshire Land Consultants, PLLC: 683C First NH Turnpike; Northwood, NH 03261

Dear applicant:

This is to inform you that the Barrington Planning Board at its July 9, 2019 meeting approved the application for a 9.6 Permit that is referenced above. The approval was granted with the condition that silt fence and erosion control are in place prior to site work and the side slopes are stabilized.

Please note: the Waiver request from 12.3.4(4) was withdrawn by the applicant.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gasses
Town Planner
