RE: Map 238 Lot 36, Route 9
Proposed Multi-Family Development

Dear Ms. Gasses:

On behalf of our client we would respectfully request to be continued from the December 1st planning board meeting as the anticipated traffic study has been delayed and preparation for the engineering review continues. If we could be scheduled for the next available public meeting it would be appreciated.

If you have any questions, please feel free to contact us.

Very truly yours,
