--	------------------------------------

Dear applicant:

This is to inform you that the Barrington Planning Board at its March 3, 2020 meeting **CONDITIONALLY APPROVED** the Boundary Line Adjustment referenced above.

All of the precedent conditions below must be met by the applicant, at the expense of the applicant, prior to the plans being certified by the Planning Board. Certification of the plans is required prior to commencement of any site work or recording of any plans. Once these precedent conditions are met and the plans are certified the approval is considered final.

Please Note* If all of the precedent conditions are not met within 6 calendar months to the day, **by September 3, 2020**, the Boards approval will be considered to have lapsed, unless a mutually agreeable extension has been granted by the Board. *Reference 8.23 of the Town of Barrington Subdivision Regulations*

Conditions Precedent

- 1)
 - a) Add the owner's signature to the final plan
 - b) Add the wetland scientist stamp & signature to the final plan
 - c) Revise Map and lot numbers 238 lots 36 and 36.1 consistent with the approved and recorded subdivision
- 2) The applicant's surveyor shall certify in writing that the bounds and pins have been installed according to the plans.
- #3) Any outstanding fees shall be paid to the Town
- 4) For lot line adjustments the applicant shall submit to the Land Use Office a copy of the signed and notarized deed which will affect the conveyance of the subject property before the plat is certified by the Planning Board. Once the plat is certified the deeds must be recorded simultaneously with the plat. For Lot Line Adjustments where the property is in the same ownership deeds incorporating the adjustment must be provided. Please contact the Land Use Office to coordinate the recording of the deeds and final plans.
- 5) Final drawings. (a) five sets of large black line plus (b) one set of 11"x17" final approved plans must be on file with the Town. Each individual sheet in every set of drawings must be stamped and signed by the land surveyor, engineer, or architect responsible for the plans. If there are significant changes to be made to the plans, as specified above, one full size paper check print must be sent to the Planning Department for review prior to producing these final drawings.

I wish you the best of luck with your project. If you have any questions or concerns, please feel free to contact me.

Sincerely,

Marcia J. Gassés
Town Planner
