Re: Site Plan Review Application of Tax Map #121, Lot 28, 7 Barrington Shores Drive, Barrington, New Hampshire; Barrington Shores, LLC

Dear Todd

As we have discussed, I have made an administrative decision that the proposed 21 site expansion of the Barrington Shores Campground requires a Conditional Use Permit. While the existing campground appears to be a previously existing non-conforming use, the proposed expansion is onto an area of property which has not, to my knowledge, previously been used as part of the campground. Therefore, it is not a permitted expansion of a nonconforming use and a Conditional Use Permit for the expansion is required.

This is an administrative decision which you may appeal to the Zoning Board of Adjustment in accordance with RSA 676:5 and the board's Rules of Procedure.

Sincerely,

  
John Huckins  
Building Inspector/Code Enforcement Officer
