Barrington Planning Board
Re: Barrington Shores Campground expansion project.

Dear Barrington Planning Board,
My wife Heather and I live at 242 Hall Road, Tax Map 121 Lot 26, and are direct abutters to the Barrington Shores Campground. Many of the sites are right up to my rear property line. Any issues that I have had with trespassers or noise onto my property has been taken care of by management immediately. The Campground has been a welcoming neighbor.
I also do not see the proposed expansion having any impact on my property value.
Thank you for your time.
Sincerely,

David Totty
