---	------------------------

Dear applicant:

This is to inform you that the Barrington Planning Board at its October 5, 2021, meeting **CONDITIONALLY APPROVED** your application referenced above.

All of the precedent conditions below must be met by the applicant, at the expense of the applicant, prior to the plans being certified by the Planning Board. Certification of the plans is required prior to commencement of any site work or recording of any plans. Once these precedent conditions are met and the plans are certified the approval is considered final.

Please Note* If all of the precedent conditions are not met within 6 calendar months to the day, by April 5, 2022, the Boards approval will be considered to have lapsed, unless a mutually agreeable extension has been granted by the Board.

Conditions Precedent

- 1) Add the following plan notes
 - a) Add the State Driveway Permit # to the Plan if required or letter from NHDOT not required
 - b) Signage will state the property is closed after sunset.
 - d) Parking area will have a kiosk with map and property information.
 - e) Erosion control must be in place prior to disturbance of the site.
- #2) Any outstanding fees shall be paid to the Town
- 3) Waiver was granted for Sections 3 & 4 from the Site Review Regulations

General and Subsequent Conditions

#1) Where no active and substantial work, required under this approval has commenced upon the site within two years from the date the plan is signed, this approval shall expire. An extension, not to exceed one year, may be granted, by majority vote of the Board so long as it is applied for at least thirty days prior to the expiration date. The Board may grant only one such extension for any proposed site plan. All other plans must be submitted to the Board for review to ensure compliance with these and other Town ordinances. Active and substantial work is defined in this section as being the expenditure of at least 25% of the infrastructure improvements required under this approval. Infrastructure shall mean in this instance, the construction of roads, storm drains, and improvements indicated on the site plan. RSA 674:39

- 2) The applicant shall notify the Town when improvements are complete in order to receive a Certificate of Occupancy/Use

(Note: in both sections above, the numbered condition marked with a # and all conditions below the # are standard conditions on all or most applications of this type).

I wish you the best of luck with your project. If you have any questions or concerns, please feel free to contact me.

Sincerely,

John Huckins

Zoning Administrator
