MEMO

May 4, 2021

To: Tiffany Caudle

Reference: Map 117 Lot 9

Location: 29 Birch Lane

Owner: Robert & Theresa Rockwell FAM TRS

The Barrington Planning Board at the May 4, 2021 meeting expressed without objection to send a letter to the Select Board stating that they knew of no pending projects or conditions that would hinder the issuing of a building permit for Map 117 Lot 3, 29 Birch Lane. The road was inspected by Road Agent, Marc Moreau and is currently comprised of very deteriorated pavement with an average width of 18 feet. The proposed work to be done should not entail a lot of heavy truck traffic. Any broken edges or potholes caused by construction activity should be repaired upon completion. Homeowners should join the local road association if not already members.

Sincerely,

Marcia J. Gasses

Marcia J. Gasses
