Scott:

District 6 has conceptually approved the attached access plan conditioned on a traffic study that shows existing and proposed traffic on Bumford Road and proposed traffic on the new driveway does not warrant left or right turn treatments on NH 125.

Regards,

Jim Hewitt

Jim,

We have the signed NHDOT Highway Access permit signed by the Town of Barrington, see attached. We will submit new plans for the realignment of Bumford Road and the north access to the site as soon as they are ready.
