Request for Extension | 2A Tactical

To whom it may concern,

It is my understanding that Mr. Robert Russell has been asked to relocate his business; 2A Tactical at 99 Tolend Rd in Barrington, NH. We have had conversations with Rob personally; 2A Tactical means a lot to him and he is very passionate about his livelihood, his employees, and his community. My wife and I are in favor of an additional 6-month extension for Rob to have a reasonable amount of time to relocate 2A Tactical. We have lived at 88 Tolend Rd since January of 2017. My family has always felt safe in this neighborhood and we have not experienced any issues with 2A Tactical. Rob has gone out of his way to ensure cars are not blocking driveways/roadways and the operations of his business are not affecting his neighbors.

If you need any more information, please do not hesitate to call me at 603-817-0374 or email me at [crabbott21@aol.com](mailto:crabbott21@aol.com).

Thank you for your consideration,  
Cody and Samantha Abbott
