To who it may concern –

I am writing to express my support for 2A Tactical, LLC and Rob Russel's requested extension to continue business operations from his Residential location at 99 Tolend Rd. as he continues the search for a new, commercial location.

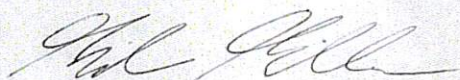

My home is located directly across from Rob's home and business at 100 Tolend Rd. From day one, Rob and his family have been friendly, courteous, and considerate neighbors and continue to be, to this day. As soon as I moved in Rob was proactive in reaching out to offer a helping hand and quick to inquire regarding my thoughts about his business operations – asking for my honest opinion and permission for anything that may be of impact to me (e.g. parking, increased traffic etc.). To my understanding, he has done the same with several other neighbors which highlights his commitment to remain courteous and considerate to us all. Beyond Rob and his family, his patrons have been respectful and considerate as well. He has always done a great job of managing parking, traffic and other activity which have had no adverse impact to myself, my family, or my property.

Overall, I feel Rob and his business have, and will continue to have, had a positive impact to our neighborhood and community. I also understand that finding and moving to a new commercial location is something that takes time, especially for a business such as 2A Tactical. For these reasons, I am in full support of an extension to continue his business operations at the 99 Tolend Rd. Location through the end of 2021.

If you would like to discuss further please feel free to contact me and I would be happy to share additional details or answer any questions you may have.

Regards,

Mike Miller (Owner)
