Town of Barrington, NH
To Whom It May Concern,

We moved into our home in the winter of 2018 on Tolend Rd. in Barrington. Rob Russell, his wife Allison and children are our neighbors. His house and business 2A Tactical, LLC are across the street from our house. We are not customers of his business, we are his neighbors. Rob introduced himself when we first moved in and told us about his business and we were extremely happy to hear that he hires Veteran's to help run it. Rob offered to give us a hand with anything we needed to get settled in or anytime in the future. He later asked permission to park in the large shoulder in front of our property and we said yes. The only thing we asked of him was to put cones near the mail box so that the Mailperson could easily access the mailbox. Those cones are out every day that his business is open. His staff has been extremely respectful and friendly. The parking near his business has never bothered us or prevented us from accessing our driveway. His customers are always polite, quiet and friendly.

Rob is always asking us if we need anything and checking to see that we are ok. It is nice to have neighbors that make you feel safe, are there if you need them, and welcome you to the community.

Rob wants to keep his business in Barrington. We feel his business is an asset to this community and so is he. He has a wonderful family and great employees. We hope that you will support him in whatever is possible to continue to have his business in Barrington. It has been a difficult year for everyone because of Covid 19. Please give Rob all the time he needs to continue with his business here in the Town Barrington, NH where ever that may be.

Sincerely, Chester and Linda Cole

Chester A Cole, Linda Cole

98 Tolend Rd.
Barrington, NH.
