TOWN OF BARRINGTON
ROADSIDE CLEAN-UP DAY

Come join us Saturday April 24, 2021 for our annual roadside clean-up day!

Come be a part of our Clean-Up Crew!

Volunteers are encouraged to sign up for a section in Town in advance by contacting Erin Paradis at eparadis@barrington.nh.gov or calling 664-0166

Volunteers are asked to meet at 226 Smoke Street between 8:00am - 8:30am to receive clean-up assignments, gloves and trash bags. Filled trash bags will need to be brought back to the Highway Department and placed in specially marked containers for this event.

We will be having a hot dog lunch to go for all our volunteers!

Saturday
April 24, 2021
8:00 am to 4:00 pm

Children under 12 years must be accompanied by an adult

Safety Tips
* Wear bright clothing
* Appropriate footwear
* Bring water
* Insect repellent
* Walk facing traffic
* Do not pick up anything that could be hazardous to your health!
Barrington Highway Department Clean-Up Day
Roadside Pick Up Guidelines

Early Trash Bag Pick Up
- Trash bags are available for pick up in the Barrington Highway Department Office starting Monday, April 19 at 9:00. We kindly ask that roadside clean ups do not take place any earlier than April 24, 2021. **We are using specific trash bags for this event; they will only be available for pick up at the Highway Department** Town bags will not be accepted for this event!

Day of Trash Bag Pick Up
- Volunteers may pick up trash bags on Saturday April 24 starting at 8:00 am at the Barrington Highway Department, 226 Smoke Street.

General
- Prior to completing your roadside pick-up, review these guidelines with all members of your Clean Up Day group.
- Make sure all volunteer vehicles are not parked in the road. There is a year-round parking ordinance in Town.
- Respect private property. Do not go onto property behind fences or gates with “Private Property” or “No Trespassing” signs.
- Children should be supervised by adults at all time.

Litter
- All litter should be bagged
- If volunteers find appliances, televisions, furniture, or other large items, please make note of the item and location. Share this information with someone at the Highway Department so future removal can be scheduled.
- Do not overfill trash bags. Filling bags over capacity will make them very difficult to be picked up.
- Use caution when collecting litter. Do not attempt to collect trash that is in any location that may pose a danger for you to access.

Hazardous Items
- In the event that a needle/syringe is found, do not touch it. Have an adult stand watch and call the Barrington Police Department so that they may properly dispose of it.
- Do not handle any hazardous or potentially hazardous materials.

What to wear/Bring
- Wear gloves when picking up litter
- Wear closed toed, flat heeled shoes. No sandals or flip flops
- Wear bright colored, long sleeved clothing to protect your skin and be visible to vehicles.
- Wear sunblock and bug spray may be useful in spots located near wooded areas.
- Bring a water bottle to stay hydrated
