Hi Barbara,

Thank you for letting me know. We sold our house and moved so we really have no need for further communication. My family firmly believes in not letting other people dictate our lives and if you don't like a situation then you have a choice to change it and we did.

Best of luck and hopefully we are the last people to move from their house because the town doesn't protect its taxpayers and enforce its codes.

Good Morning

I am informing that the meeting tonight as been cancelled for the Zoning Board and will be rescheduled for the February meeting. Notices will be resent for the February meeting. We knew you withdrew but when a Board vote the case needs to be heard.
