RE: Map 223 Lot 26-57, Route 125  
Proposed Multi-Use Site plan

Dear Members:

We are working with Stonearch Development Corp. who is a land developer and is proposing a Multi-use building on a commercial lot within the Ridge at Greenhill Subdivision. The proposal consists of a building with commercial use on the bottom floor and residential units on the upper floors. In addition is also an additional building with garage bays for either of the commercial or residential tenants and larger parking stalls for commercial vehicles.

We look forward to working with the town on another project.

If you have any questions, please feel free to contact us.

Very truly yours,  
BEALS ASSOCIATES, PLLC
